About us

We are **AzureMalaga**, a growing community based in Málaga, Spain, focused on exploring and sharing knowledge about Microsoft Azure and cloud technology. We organize meetups and global events like Global Azure, Global AI, and GlobalDevOpsX, where members dive into hands-on labs, get guidance from experts, and connect with fellow cloud enthusiasts.

Our goal is to create a space where everyone — from beginners to seasoned professionals — can learn, collaborate, and stay up-to-date with the latest in the cloud world.

Let's connect for Andalusia's Tech Coast: Málaga

Speaker

A central role in delivering engaging and insightful presentations that resonate with our audience. Speakers are responsible for preparing and presenting on topics relevant to the event's theme, whether through lectures, panels, or interactive discussions. This is an opportunity to showcase expertise, foster meaningful dialogue, and leave a lasting impact on attendees. Join us to shape the conversation and connect with a community eager to learn and grow!

This position requires

- Passion for sharing knowledge
- Strong public speaking skills
- Ability to captivate and inspire listeners.

Assistant

An essential role in ensuring the event runs smoothly and efficiently. This role involves supporting various aspects of the event, from setting up and managing registration, guiding attendees, to assisting speakers and organizers with their needs. This is a fantastic opportunity to gain hands-on experience in event coordination, connect with participants, and contribute to creating a seamless and memorable experience for everyone involved.

This position requires

- Proactive approach
- Great communication skills
- Flexibility to handle diverse tasks as they arise.

Volunteer

A vital role in creating an enjoyable and welcoming experience for all attendees. Volunteers assist in a variety of tasks, including event setup, registration, guiding guests, and providing support to organizers and speakers. Volunteering offers a unique chance to be part of the event team, connect with like-minded individuals, and gain valuable experience in event organization.

This position requires

- Enthusiastic approach
- Positive attitude
- Being ready to jump in where needed.

Communities Alliance

The Communities Alliance collaboration invites other tech communities to collaborate with AzureMalaga, fostering a shared space for learning, resource sharing, and mutual support. By partnering with us, your community can co-host events, share expertise, and participate in joint workshops or initiatives that broaden knowledge and engagement. This collaboration aims to unify our efforts, allowing both communities to amplify their impact, reach a larger audience, and support one another in achieving common goals in the tech ecosystem.

We welcome communities interested in creating stronger connections and driving collective growth.

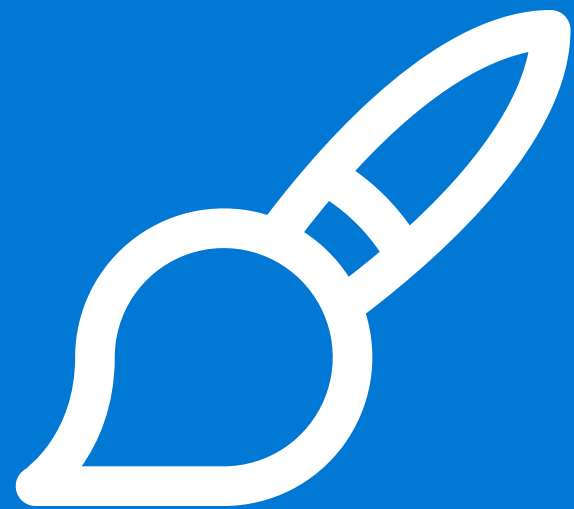

Copy Writer

As a Copy Writer, you'll be instrumental in crafting compelling, clear, and engaging written content for our event. This includes creating copy for promotional materials, social media posts, website pages, speaker bios, and event programs. You'll work closely with the marketing and event teams to ensure our messaging captures the event's tone, values, and excitement, helping to attract and inform attendees.

This position requires

- Strong command of language
- Attention to details
- Passion for storytelling

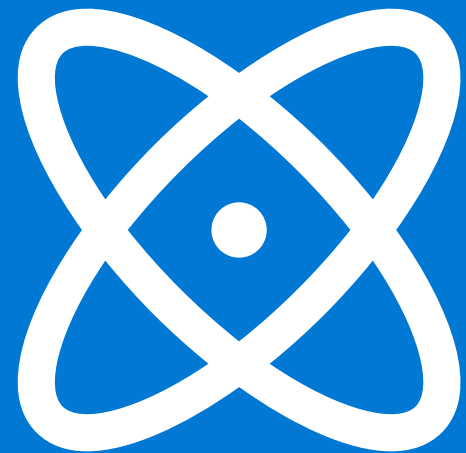

Graphic Designer

As a Graphic Designer, you'll bring the visual identity of our event to life, creating designs that capture attention and inspire engagement. This includes designing promotional materials, social media graphics, event signage, presentation visuals, and other assets that enhance the attendee experience. You'll collaborate closely with the event and marketing teams to ensure a cohesive look and feel across all platforms.

This position requires

- Keen eye for design
- Attention to details
- Flair for bold and memorable visuals

Developer

As a Developer, you will play a critical role in building and maintaining the digital infrastructure for our event. This includes developing and optimizing our event website, creating online registration systems, and ensuring a seamless user experience for attendees and participants. You'll collaborate with the marketing and event teams to implement features that enhance engagement, such as interactive schedules, speaker profiles, and real-time updates.

This position requires

- Problem-solving abilities
- Strong programming skills
- Passion for delivering innovative digital solutions

Marketing Specialist

As a Marketing Specialist, you will be crucial in developing and executing strategies to promote our event and maximize attendance. This role involves creating targeted marketing campaigns, managing social media platforms, crafting compelling content, and analyzing campaign performance to optimize outreach efforts. You will work closely with the event team to identify key audiences, develop messaging that resonates, and implement creative marketing solutions that drive engagement.

This position requires

- Strong analytical skills
- Creativity
- Understanding of digital marketing trends

Can't find a perfect role for yourself? Worry less!

We appreciate various types of talents and we would be eager to help you find a place in our dynamic community. Contributors are individuals who lend their skills, insights, or resources to enrich the event experience. If you are passionate about making an impact, connecting with a diverse community, and sharing your skills - we are waiting for your message.
